

## BIB - A Band In Hardcore LP

Art.nr: ETT - 061

Label: Erste Theke Tonträger

For their second release on ETT, Omaha-based BIB continues their streak of making sketchy-as-hell hardcore punk for straight up weirdos. This is a Compilation LP, this rules, ok!

When you hear Omaha, Nebraska, you might think of steak, Warren Buffet, or Saddle Creek Records. But you probably don't think of hardcore. In comes BIB.

Noisy, blown out hardcore from the middle of nowhere. Following the "everything louder than everything else approach" to their demo, BIBs already colossal riffs sound like an avalanche when the bottom drops. Squirmy effected vocals veer their sound from huge to weird. Live, sometimes seen with 3 guitar players, Bib takes their wall of sound to a whole new level that will leave your eardrums vibrating.
