The Dahmers - In The Dead Of Night CD

As dusk settles in and night time approaches The Dahmers rise from their coffins once more. Like bloodthirsty creatures of rock n roll they will burst out into the moonlight leaving solitude behind on a rampage for terror.

13 nerve breaking songs dedicated to the darkest of hours that will cut you down ruthlessly. A mutation of garage punk, energetic rock and 60s pop makes 'In The Dead Of Night' a Frankenstein's monster of music.
