"This has to be one of the coolest releases that I have heard in a long time. I need to hear more from this band." - Razorcake, USA, 13 March, 2013

"Snubblar fram" is without doubt the Malmö quintet's triumph card so far. This becomes clear long before the final chord of the song. Here, Dalaplan manage to bring together punk, pop and rock, and before the last note has left the ear canals of the listener they have delivered a much needed garagesque punch in the face." Lukinzine, 31 maj 2013. "In less than two minutes they offer a remedy for life boredom and they do it with bonerattling and inspiring rock'n'roll. Fucking good in all possible ways" - Ikon 1931, 21 mars, 2013
