

Den Stora Vilan - Utsikt Mot Havet 2LP

Art.nr: GAP078

Label: Gaphals

Vinyl 2LP version of Den Stora Vilan "Utsikt Mot Havet" album. Black vinyl printed in 300 copies.

Gothenburgs psych rock fenomenon Den Stora Vilan is back with their third album "Utsikt Över Havet". 17 tracks divided on two LP's and a 20 pages full size LP booklet makes this one of the most massive albums from Sweden this autumn. The band takes influences from Swedish 70's rock as "Träd Gräs och Stenar" and "Nationalteatern" but keeps it modern and sounds like no other band from Sweden. If the last two album had an US approach over them this new one sounds more like classic English rock but with loads of Swedish influences.
