

Dobermann Cult - Lions share of the dog years LP Black

Art.nr: GAP055

Label: Gaphals

12" Vinyl version of Dobermann Cult - the Lions Share of the Dog Years album. Comes in black or clear/transparant vinyl.

The new album with 13 tracks of New York influenced hardcore, with a Swedish melodic heritage, is their first one recorded with Ulf Blomberg in Hobo rec studio (Counterblast, Grace Will Fall, Inevitable Ends and We are the Damned). The new album is powerful and combines the influences from most New York Hardcore bands as hardcore vibes from Sick of it all, the sing-a-longs from Agnostic Front, the heaviness of Cro-mags, the speed of Kill your idols and the simplicity and fury of Warzone.
