Vinyl (LP) version of Driving Rain - Intervention Time EP. Edition of 500 copies on black vinyl.

Driving Rain releases their debut EP "Intervention Time" the 18th of march. The EP holds six songs of melodic rock kept simple but not stupid. The super catchy and direct songwriting together with Anders Göranssons voice forms a recording that leaves you wanting more. The band with members from Doits, Dead Lord and Beast has been musically bred in the 90's but is trying to find the sounds of the 70's. Drivin Rain's debut EP offers 6 songs that combine the sounds of the two golden decades of rock music.
