

Firewalker - Alive 7"

THE FOG "Into the fog" (REFUSE)

The notorious Berlin outfit returns with a new EP to drag you further into the fog with them. Nothing hold back this time. These six new songs hit where Hardcore is at its most bare-knuckle: downright nasty, grindstone-sounding rock music. An absolute bulldozer of a record, just listen for yourself. For fans of Sheer Terror, Celtic Frost, SSD's "How We Rock".
