

## Newtown Neurotics, The - Pissed As A Newt LP

Pissed as a newt is the name used to describe the strange western tradition of lowering one's consciousness to the narrow confines of the 'Whirling Dervishes' infused by the demon alcohol, causing the body to sweat, twitch and sway to the pulsating throbs of rock 'n' roll.

To capture the essence of this spirit on tape, is very difficult at the best of times, but from the hundreds of recordings at our disposal, this selection we feel comes close.
