Cheap beer and endless movie-nights helped Nightmen create their debut LP "Fifteen Minutes of Pain", a 28-minute primitive rock'n'roll-album filled with power-pop hooks and ingenious songwriting. The three vocalists sing with equal measures of punk snottiness and sugary sweetness. The diversity of having three singers makes "Fifteen Minutes of Pain" a dynamic garage-rock anthem. Nightmen are Ramones tangled up with Dead Moon and The Cars. "Fifteen Minutes of Pain", a twelve track killer-LP straight from the heart.
