Above Below Within is the second full length album by Swedish psychedelic rock quintett Nocturnalia (formerly known as Nocturnal). It's a seven track opus with a more cultivated sound than it's predecessor but with the same underlying philosophical concept which has always been the foundation of their creative process. The album was recorded and mixed by the bands newly added guitarist Linus Lundgren at studio Ganymeden in Linköping during the summer of 2014. Unlike the last recording they also decided to produce the album by themselves, leaving a more personal mark on the final outcome.
