- (Shirarezaru Mon)***
- (Yogen)***

*** Bonus tracks taken from the "JIKANGIRE" Maxi 12", not included on the LP!

Heavy Mental Fuck-Up is the follow up to □□□□ (Paranoid) hyped debut album Satyagraha (Southern Lord). The band is showing a more raw and old school metal vibe. The recording got a 80's clean metal sound that makes the band stand out even more. □□□□ (Paranoid) got that extreme underground metal approach that we have been lacking for years.
