## Red Doves - Off the grid LP

---

Art.nr: GAP016

Label: Gaphals

Rocking out like old school Black Flag, Sick Pleasure and Adolescents. Band members have been active before in Trapdoor Fucking Exit, Section 8 and Henry Fiats Open Sore. Experience enough to make something new with Red Doves, and they really know what they're doing. Rocking out with a furious groove that has a certain kind of unrestrained fun factor to it. 11 tracks of 80's ozing hardcore punk.
