Revenge is a band based in Malmö, the dirty south capital of Sweden. The band delivers raw, tight, classic hardcore with a razor-sharp precision. There is a clear, common thread running through the whole album, but despite this, the songs appear very varied. The vocals has an important role in the music, and the album is full of catchy melodies that create dynamics and contrasts. The result is like a fierce punch in the face that feels throughout your head, and that to say in a positive way. Revenge does not consists of any newcomers. The bands line up consists of people from hard working, touring bands such as Satanic Surfers, Venerea, Intensity, Skit Kids, Sista Sekunden and Enemy Alliance.
