

Saturday's Heroes - Turn Up The Music LP

Art.nr: LLY038

Label: Lövely Records

Release: 4th of September 2020

You local heroes are back - "Turn Up The Music!" is Saturday's Heroes first physical release since their latest full-length "Pineroad" from 2017. The new album contains 7 punk-fueled songs and will be released on Lövely Records September 4 on Digital and Vinyl format.

Shortly after the tours supporting "Pineroad", Saturday's Heroes went back to Studio Underjord to record a series of digital singles. Using their experience from being on the road and playing together for several years, combined with new ways of approaching song writing, the band came up with a wonderful mix of songs and soon realized that the digital singles deserved the needle touch of a vinyl player.

On "Turn Up the Music!" you will find 7 tracks that tells individual stories. From the fast explosion that is Black Clouds to the more mid tempo songs like Seven Seas, there is something for everyone on this record.
