

Sju Svåra År - Ingen tog det som ett skämt 7"

Art.nr: GAP091

Label: Gaphals

Sju Svåra År releases their new EP "Ingen Tog Det Som Ett Skämt" (Nobody Took It As a Joke) at Gaphals. Four songs with deep poetry three-chord-punk touching both the heart and mind. Dark, yet hopeless melodies fill "Ingen Tog Det Som Ett Skämt", where the glimpse of the eye and the kitchen sink realism was mixed with seriousness and political humanity. The band is always uncompromising with a lot of heart and pain. At the band, "quality before quantity" is a guiding star where the EP follows the band's debut album and latest release, "Storma varje hjärta", released in 2012.
