Throne of Heresy emerge from the unclean abyss with their sophomore album Antioch, a blackened piece of death metal art and a stylistic triumph for the band. Antioch marks the beginning of a new chapter where the material is heavier and more sinister than ever before. The album was written over a period of two years, each song painstakingly arranged and re-arranged to deliver the full impact and fury expected from the Swedish death metal canon. Recorded and produced by none other than Magnus "Devo" Andersson (Marduk, Pain) this album is set to stand the test of time.

"The best blackened death metal album I've heard in years!"
Magnus "Devo" Andersson, MARDUK

Featuring members from Abscession, King of Asgard and Ceremonial Execution, Throne of Heresy are no strangers to the world of extreme metal. They have previously been named "unsigned band of the month" in acclaimed Swedish metal mag Close-up, "band of the week" at Metal Central, "On the Spot" in Metal Exposure etc.
