TIED DOWN s/t

Nothing to prove, nothing to gain, exorcising our demons, baring our pain. UKHC veterans Tied Down hail from the North East of England and feature ex and current members of Voorhees and Break it Up. This is their debut release of 6 songs of old school hardcore that features aggression, rawness and melody all put into a musical blender and spat out into your face. FFO early NY and Boston hardcore punk with a distinct UKHC feel. Hardcore punks never die they just get angrier with age!!
