

Wall Breaker - S/T 7"

WALL BREAKER s/t 7"EP (black) (REFUSE)

WALL BREAKER is a new straight edge hardcore punk band with members from NJ and Baltimore. Formed by Jeremy Evans (Coke Bust, WarXGames), Jeff DeSantis (Bloodtype, Bleeding Edges Label), Ken Ramsey (Glory Fades) and Ben Wood (Chainsaw To The Face, Durian). Heavily influenced by bands like SSD and Life's Blood, but played with the speed of some of the early 00's era thrash bands. This is Trump era hardcore, the era of building walls. And this is your new soundtrack to breaking them down. Great sounding vinyl reissue of their debut 5-song demo. Remastered by Smok (As One). One-time pressing of 548 copies. <https://wallbreakerstraightedge.bandcamp.com/>
