

Waste - Last One Standing 7"

WASTE "Last one standing" 7"EP black (REFUSE)

Two years and several European tours after the "Executioner" EP on Refuse Records, Gothenburg, Sweden's own WASTE return with "Last One Standing". You say you like your hardcore punk served as something to believe in, but your mosh parts as ignorant as can be? Well, WASTE step up to challenge both your vices and your ability to establish some facts on the dancefloor. Five songs of straight edge hardcore that are equally pissed off and socially conscious.
